TDI TUSCAN CITY

a true SLICE OF ITALIAN LUXURY ...

TUSCANY

like a fine wine, has been some time in the making...

Tuscany, the most beautiful region of Italy, is possibly the greatest repository of art in the world, from extraordinary paintings and sculpture, to architectural masterpieces.

A Tuscan village is synonymous to picturesque countryside landscapes dotted with typical heritage architecture, pebbled pathways, ornamental street lamps and railings, simple yet fine cuisine and robust red wine. Add to it the fine sense of music and opera, and the region is God's canvas of esoteric expression.

To pay tribute to this enchanting land,

TDI recreates the mesmerizing aura for you in Kundli, Sonapat.
